

# RA-FA Conference

Friday July 11th 2014

The RA-FA Youth Council is pleased to announce the return of the highly successful RA Conference Friday event on July 11th 2014. After last year's efficacious event the RA-FA Youth Council has come back bigger & better with special guests including International and national Officials Andre Marriner, Stuart Burt, Michael Oliver & many more! In addition to this excellent line up, and to cope with the increasing demand, the Youth Council has moved the afternoon practical session to the FA's National Football Centre - St George's Park fol-

lowed by a wonderful evening event at last year's destination Hinckley Island Hotel. Delivered by prestige guests this event will incorporate fully interactive & detailed workshops & presentations run by influential figures in the modern game to inspire young referees into fulfilling their potential and progressing up the refereeing ladder. After experiencing the event last year, Kent FA's aspiring young referee Oliver Fife described his experience as "an amazing opportunity to get involved in referee specific sessions" with key appreciation for the

chance to work with the best in the business, "It's not very often that you get the chance to learn from highly experienced Referees, Coaches & Mentors; if you can't get inspired by these figures, something's wrong!" There are only 160 tickets available and selling fast; for your chance to attend this incredible event go to the RA-FA Youth Councils Facebook page and download the booking form now!
